ANCIENT ARABIC ORDER NOBLES OF THE MYSTIC SHRINE

{ 1927 }

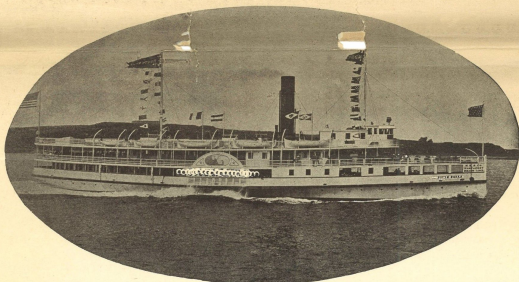

## SUMMER OUTING

**The Time.** The Annual Summer Outing for the Nobility of Aleppo Temple will be held on

**Tuesday, August 16**

**The Place.** The place is Plymouth, Massachusetts—which the Pilgrims picked as a suitable place more than 300 years ago. Like the Pilgrims, we will travel by water, so that we can land near the "Rock."

**Transportation.** A special steamer, The Rose Standish, will give you a delightful three-hour sail to Plymouth. It is a wonderful water trip. Aleppo's famous Drum Corps—"Shriners' Band"—will furnish music.

**The Steamer will sail from Rowe's Wharf, Atlantic Avenue, Boston, at 10 o'clock A.M., SHARP.**

*Daylight Saving Time*

**Returning will leave Plymouth at 5.30 o'clock**

**The Cost.** The price of tickets for those who go by boat is \$6.00, which includes everything.

The price for those who do not travel by boat is \$5.00.

**Tickets.** Tickets must be secured not later than August 12th, and can be procured at the Shrine Offices, 1320 Statler Building, Park Square, Boston. Phone Liberty 6310. If you apply by mail, send your check, made payable to Aleppo Temple, and (it is suggested) a self-addressed return envelope, so there will be no delay in the mail.

**Be Early.** The limit on the special boat is 1,000 persons—and that means capacity.

Your committee cannot guess the attendance—there is a time limit to close arrangements for food, souvenirs, cigars, etc. The Committee will plan for those who purchase tickets. It is up to you.

If you want to go, Noble, don't wait for the weather man to show you the day—just take your chance;

and, unless Aleppo luck changes, it will be "fair and warmer." We cannot take care of the last-minute fellow. He won't get under the wire on the day of the Outing. It can't be done.

**Parade.** A short street parade will be held at Plymouth immediately after the boat docks.

**The Eats.** The lunch will be served at 1.30 o'clock at Stevens Field, which is near the boat landing.

**The Sports.** At 3 o'clock P.M. a series of sports—open to all Nobles—will be held at Stevens Field. The Committee will receive entries on the boat and at the Field.

Yours in the Faith,

FRANCIS H. APPLETON,  
Potentate.

#### ALL ABOARD!

On January 17, 1928, 400 Nobles will step aboard a brand-new 19,000 ton White Star Liner, and joyously watch her turn her nose toward the Mediterranean for her first trip eastward.

The fact that this will be a cruise "as is" need not be emphasized after our statement that the party will be limited to 400 Nobles, their wives and children. In such a gathering of people who have interests in common, we are not braving the wrath of the gods of pleasure in the slightest when we say that there will not be a dull moment during the entire 47 days.

While we cannot go into all the attractions of such a cruise in this small space, we shall be pleased to send more detailed information on request. Any Noble would get a genuine kick merely out of accumulating a respectable coat of tan in midwinter; and the joy of visiting perhaps the most interesting and fascinating points of the Old World in company with the kind of people who prevent life from becoming a bore will appeal to all.

The cruise has been carefully scheduled to cover unhurriedly all the points of interest.

Prices are only \$695.00 up. Reservations may be secured at once with a deposit of \$100.00 through the executive office of Aleppo Temple, in Room 1320 of the Statler Building; or American Express Company, 333 Washington Street, Boston, Mass.
